

The Grand Coulee Dam Area Chamber of Commerce invites you to become an active member of our dynamic, growing organization for 2016. GCDA Chamber of Commerce is a non-profit organization which is focused on members and passionate about business promotion, advocacy, education, tourism support and service.

Just a few of the many things your membership dollars pay for are listed below:

- The Chamber is a “front door” resource office handling thousands of inquiries each year from tourists, local businesses, short-term contract employees, and newcomers seeking information about businesses and amenities in our area. We routinely recommend and actively support local businesses who are Chamber members.
- With membership, your business is added to the *Area Businesses* section of the Chamber of Commerce website at [www.grandcouleedam.org](http://www.grandcouleedam.org). Each active business member receives a complimentary business listing on our site with links to their website and social media pages.
- We act as your advocate in the fields of government affairs, retail trade, education, commercial and economic development, and tourism promotion. Our goals align with yours when it comes to the health of your business.
- Chamber members are given first choice for vendor opportunities at our community festivals and events such as Colorama, Festival of America, and the fall Harvest Festival. These festivals let you showcase your business to consumers who may not have visited you in the past.

Join the Chamber today and allow us to partner in your business’ success! Weekly membership meetings are held at 12pm each Thursday at various Chamber member restaurants in Electric City, Grand Coulee, and Coulee Dam (check The Star newspaper for a given week’s location). The Chamber also hosts periodic “Business After Hours Events” which give you the opportunity to build business relationships with your fellow Chamber members in a relaxed setting. We encourage you to attend these informational luncheons and After Hours events.

Please join the Grand Coulee Dam Area Chamber of Commerce today and be part of an organization which actively supports and improves the economic health of our community. The strength of the Chamber lies in its members’ investment of time, energy, talent and financial resources. Please join or renew your membership in the GCDA Chamber of Commerce today!

Sincerely,

Peggy S. Nevsimal  
Executive Director  
GCDA Chamber of Commerce

P.S. Pay your dues by November 30, 2015 and receive an optional 10% discount off your 2016 membership. Don’t delay – renew today!

The Grand Coulee Dam Area Chamber of Commerce currently supports the businesses of Coulee Dam, Electric City, Elmer City and Grand Coulee.

The first Chamber of Commerce in the area was formed in 1936 in the town of Grand Coulee. Two years later a Chamber of Commerce was also formed in Coulee Dam. The two institutions worked and met independently but did coordinated community events until 1977. At that time, it was overwhelmingly voted by chamber members to combine the two Chambers into one, and the current Grand Coulee Dam Area Chamber of Commerce was born.

The Executive Director of the GCDA Chamber of Commerce is **Peggy Nevsimal**. The Chamber office is located at 17 Midway Avenue in Grand Coulee. Normal hours of operation are 8am-4pm Monday-Friday.
